Robin,

This is the FTP site. I created a directory titled "EPA Laboratory". A sub-directory titled "EPA Data Results" will be added as soon as we send up the final reports.

Subject: Dimock - COCs on FTP Site

All-

Below is information for accessing the COCs from the Dimock Residential Groundwater Site which will be placed on the Region 3 ftp site. Due to file size constraints on e-mail, we will now be using an ftp site to put the COCs each night. We will send an e-mail to the notification list each night to let everyone know that new COCs are on the ftp site for retrieval.
